Physics 493L: Homework #1
Due January 26, 2014
10 points

Your Name

Create a MATLAB script (a *.m file) that will reproduce the figure with your actual name used in the title. Note that the plot line width and color and the various font sizes are not the default types. For organizational purposes, please name your *.m files as 'Last-Name_HW1.m', e.g. 'Lidke_HW1.m'. Submit your results by e-mail to klidke@unm.edu with the subject line '493L HW1.'
